## 24-7 Prayer at 12 midday, say the Lord's Prayer.

### Special Requests

- Please pray for all those in the NHS and all those working tirelessly to save lives. Please give them the skills, resilience and resources to care for the sick. Please give them the wisdom and knowledge needed to search for a cure. Strengthen them, that through their work many will be restored to health.
- For those who are sick or suffering and those who have lost colleagues or loved ones, may they find comfort and healing.
- Our communities and for their support in helping to save lives by observing the restrictions that we currently face. Let everyone know and support the fact that the Police are from – and of the community; and helping the police with these restrictions will help the NHS to save lives.
- For all the Police family – officers/staff and their loved ones. Police Officers and staff are continuing to work 24/7 to protect and serve us all.
- For all our CPA members, friends and Community Partners – for their continued mutual support in bringing the message, truth and hope of the Gospel to all we met during the difficult and unprecedented times we are in.

PSNI – Dissident threat remains severe, persistent and dangerous.

Identification and appointment of Regional Co-ordinators in East Midlands, South West and London and the South East.

Each Wednesday – Don Axcell, Chaplain at the Police Rehabilitation Centre.

Please pray that each CPA Branch Leader has an effective local support team to help in their local work.

Please pray that God continues to raise up Christians of all ranks and grades across the Police Service in the UK and for them to step forward to acknowledge their faith in the workplace.

Please pray for the Metropolitan CPA, and our Met CPA Branch Leaders. Please pray for an opening at North Wales and at Durham.

Please pray for our CPA Treasurer – Evans Chisala and for Katy Harding our Head of Finance who continue to bless us with their support and energy.
