## 24-7 Prayer at 12 midday, say the Lord's Prayer.

### Special Requests

Please pray for all those working tirelessly to roll out the vaccine across the UK and across the world. Strengthen them, that through their work many will be kept safe from harm.

Please pray for our NHS colleagues who continue to care for those who are sick or suffering. As we hope to move to normality, we pray that they can find time to rest, particularly as they deal with the backlog of patients with other health needs.

Please pray for our communities - that they be kind to each other and that they socialise responsibly as we return to normality. Let our communities grow and flourish as we open up after this long period of restrictions.

For all the Police family – officers/staff and their loved ones. Police Officers and staff are continuing to work 24/7 to protect and serve us all.

For all our CPA Members, Friends and Community Partners – for their continued mutual support in bringing the message, truth and hope of the Gospel to all we reach out to.

PSNI – Dissident threat remains severe, persistent and dangerous.

Identification and appointment of Regional Co-ordinators in East Midlands, South West and London and the South East.

Each Wednesday – Don Axcell, Chaplain at the Police Rehabilitation Centre.

Please pray that each CPA Branch Leader has an effective local support team to help in their local work.

Please pray that God continues to raise up Christians of all ranks and grades across the Police Service in the UK and for them to step forward to acknowledge their faith in the workplace.

Please pray for an opening of a Branch in North Wales and at Durham.
